Beaulieu part of our community

Beaulieu
Convent School Jersey

A Warm Welcome

Dear Parents and Families,

It is with great pride and excitement that I welcome you on behalf of everyone at Beaulieu School. As Headteacher, I am both honoured and thrilled about the journey we will embark on together as we look to the future of your child's education here.

Beaulieu has a rich history on this island, and we are deeply proud of the tradition we carry forward. We are a school that embraces a non-selective intake, firmly believing that every child has the potential to thrive in a supportive and nurturing environment but this does not mean we are not ambitious on behalf of our children and students. Our mission is to add value to each child, not only in the classroom but also in the wider community, helping them to grow and develop as individuals, inside and outside of school life.

At Beaulieu, we believe in a personalised approach to education. We focus on the uniqueness of each child and student, guiding them with kindness and a commitment to their happiness, which in turn leads to success. This is at the heart of everything we do – ensuring every child can reach their full potential.

We are proud to be a Catholic school, founded by the Sisters of the Immaculate Conception, and we offer a Catholic education, not an education exclusively for Catholics. We celebrate the values of inclusion, respect, and kindness, striving to reflect the diverse community we serve. Our aim is simple: to help each student become the best version of themselves, supported and encouraged every step of the way.

I am excited to welcome you and your family to Beaulieu, and I look forward to sharing with you how we can work together to see if this is the right place for your child to grow, learn, and thrive.

Mr Matthew Burke
Headteacher of
Beaulieu Convent School

Why Beaulieu?

We are a non-selective school

We embrace all students and foster a diverse and inclusive community where everyone can thrive. We welcome and support individuals of all abilities to create opportunities for them to reach their full potential and leave Beaulieu happy.

Our public exam results are amongst the highest on the Island

We have a strong track record of high achievement and academic excellence. Through our rigorous and supportive environment we help our students excel by ensuring they are well-prepared for future success.

A three-year GCSE programme

This allows students time to get confident with a subject and refine their exam skills whilst allowing for further enrichment within the curriculum.

Mentorship from Year 7

Our mentor system is in place to fully support our students and allows a first point of contact for not only our students but for their families, too. A student's mentor knows your child not only from an academic perspective but pastorally, too.

An appointed Student Services Office to aid transition

Our Student Services team supports our student's well-being and each year group is allocated a full-time, non-teaching Student Services Officer. They are available throughout the school day to offer support and guidance.

The broadest 11-18 curriculum on Island

We ensure that every student can tailor their education to suit their ambitions. From academic disciplines to creative and vocational pathways, we provide a diverse range of subjects and opportunities.

We welcome students of all faiths and none

We are a Catholic school driven by a strong, inclusive and caring ethos. The ethos of the school encourages every member of the school community to be kind.

Modern sports hall, dance studio, & fitness suite

Our new sports hall, fitness suite, and dance studio offer state-of-the-art facilities that provide students with the perfect spaces to stay active, build strength, and express themselves creatively.

A member of the Independent School Association (ISA)

ISA provides sporting opportunities at all levels so that many pupils can enjoy and benefit from them. As a member we are entitled to access an extensive programme of Area and National events throughout the year that our students can participate in.

Talented Athlete Scholarship Scheme (TASS)

We support young athletes to achieve their full potential in sports and academia. It's important that young athletes find the balance between maintaining an academic focus whilst providing opportunities for them to enhance their sporting aspirations.

The House System

We believe in fostering a sense of community, teamwork, and friendly competition through our thriving House system.

Students are divided into three vibrant houses: Marie Louise, Durrell, and Teresa. It provides an opportunity to make friends across year groups and compete in a range of disciplines including drama, dance, music, sport, debating and quizzes. We are proud of this aspect of Beaulieu life, which not only builds confidence but fosters team spirit, loyalty, and resilience.

Our House System also offers valuable leadership opportunities for Sixth Form students as they are given the responsibility of leading their house in a range of events and fundraising activities. They play an integral role in organising and motivating their fellow students, ensuring that every event runs smoothly and that everyone's efforts are recognised. Through this leadership role, Sixth Form students develop important skills such as communication, organisation, and team management, while making a lasting impact on their peers and the wider school community.

Co-Curricular Offering

Our co-curricular offering is focused on providing creative learning opportunities to nurture the talents of every student. The clubs are led by staff, sixth form students and community partners and create an environment where our children and students are encouraged to work collaboratively and discover new opportunities, interests and talents.

Clubs

Current clubs cover a wide range of topics and disciplines including:

Fitness, sports training & matches

Duke of Edinburgh

Charity work

Choirs, bands & orchestras

Textiles, arts & crafts

Ski & overseas language trips

Young Enterprise, Marketing & Business Club

Science, debating & upcycling

School productions

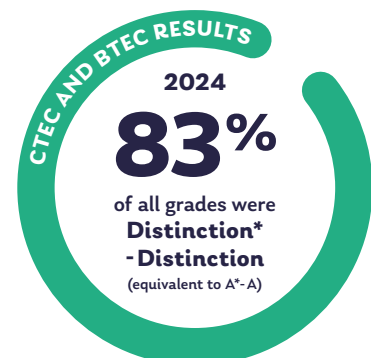

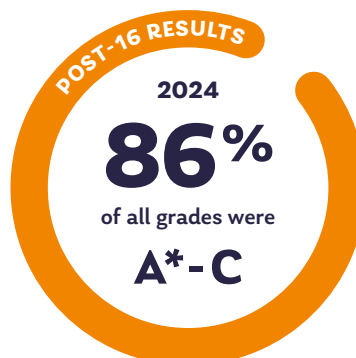

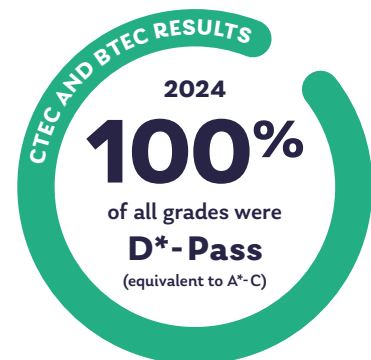

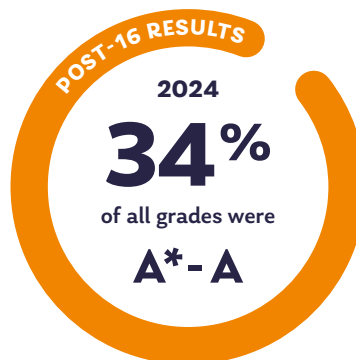

Exam Results

Our students consistently receive excellent exam results, comparing extremely well against other schools, not just in Jersey but across the UK.

Whether a student's passion lies in the Sciences, Maths, English, Humanities, or Languages, or they prefer Business, PE, Home Economics, or the Arts, Beaulieu is ready to provide a stimulating, challenging, yet nurturing environment in which students can learn and succeed, safe in the knowledge they will be fully supported at each stage of their educational journey with qualifications that play to their strengths.

"Our students' outstanding public examination results reflect not only their hard work and dedication but also the unwavering support of our exceptional staff. At Beaulieu, we nurture a culture of ambition, resilience, and personal growth, ensuring every student is empowered to achieve their full potential and thrive in their future pathways."

- Mr Matthew Burke, Head teacher of Beaulieu Convent School

An Environment Where Students Flourish

The unique Beaulieu environment is rooted in the gospel values and the love and care for our students is intrinsic in all we do.

The pastoral care and well-being of our students is a priority, and all staff members share responsibility for this. Our focus is on the whole child and their individual needs and, as a result, every child can succeed.

With a focus on emotional well-being, individual attention, and a strong sense of community, we ensure that each student thrives both academically and personally. By fostering strong relationships through our small mentor groups, our pastoral care helps to shape confident, successful, and happy children who are prepared to excel in all aspects of life.

Student Testimonials

“The reason I chose to stay at Beaulieu for my GCSEs instead of moving to another school is because of the consistent and reliable support provided. The teachers put in tremendous effort to ensure you feel confident in your studies, helping you reach your full potential and achieve the best results possible.”

- Molly, Year 11

“Doing my GCSEs at Beaulieu allowed me to choose both BTEC and GCSE options, I was able to pick Health and Social Care whilst also exploring a creative subject such as textiles. This allowed me to experience many different opportunities for future Post-16 options.”

- Grace, Year 11

“With its warm community Beaulieu opens up to many co-curricular activities and opportunities to ensure that everyone gets the chance to involve themselves in their own unique talents. This school has allowed me to succeed and grow in every aspect of my passions, providing me with experience and guidance through my chosen profession. Beaulieu presents opportunities for my skills to soar in school productions, house events and teams, displaying the attributes of leadership, communication and teamwork. The wide range of academic choices and pastoral care hugely contributes to the accomplishments and greatness of each and every student emphasising the value, respect and endeavour of Beaulieu.”

- Rachel, Year 11

“I have attended Beaulieu since I was four years old. Over the past couple of years, I have been fortunate enough to train and play netball in the UK as an elite athlete on a weekly basis led by high-level coaches. Beaulieu has been very supportive, allowing me to travel during school time to pursue my passion and dreams. Without the support and encouragement from Beaulieu I would not have had the opportunities I have had in the UK. With the help of Beaulieu, I have learnt how to manage my school work around my netball journey, which I am grateful for.”

- Grace, Year 11

“I chose to study at Beaulieu because of its welcoming community and the exceptional support provided to students in all aspects of school life. While offering guidance, the school also encourages independence and allows students to explore learning in their own unique way. The wide range of co-curricular activities, such as sports teams and school productions, fosters a sense of balance and inspires students to stay motivated in their studies.”

- Issy, Year 11

Scholarship & Bursary Programme

Bursaries

We understand that financial barriers can prevent some families from considering an independent education. Our means-tested bursary programme is designed to provide financial assistance to those who need it, ensuring that students can benefit from a Beaulieu education regardless of their financial circumstances.

Scholarships

We believe in the power of education to transform lives. Our scholarships aim to support bright minds who are committed to making a positive impact through learning.

All-Round Academic

This scholarship is aimed at students who demonstrate strong academic potential across a range of subjects.

Expressive Arts

This scholarship supports students with exceptional talent in the arts, including music, drama, art, and textiles.

Sports

We are proud to offer sports scholarships to students who excel in athletic pursuits.

Beyond Beaulieu

The Post-16 Curriculum is designed to create breadth, as well as knowledge and understanding of particular subjects. Students also have the opportunity to undertake further skills development. Our Sixth Form students make the most of the opportunities available to them once they leave Beaulieu, whether that be at University, on Gap Years, on trips or in the world of work.
