community

Beaulieu
Convent School Jersey

A warm welcome

Dear Parents and Families,

It is with great pride and excitement that I welcome you on behalf of everyone at Beaulieu School. As Headteacher, I am both honoured and thrilled about the journey we will embark on together as we look to the future of your child's education here.

Beaulieu has a rich history on this island, and we are deeply proud of the tradition we carry forward. We are a school that embraces a non-selective intake, firmly believing that every child has the potential to thrive in a supportive and nurturing environment but this does not mean we are not ambitious on behalf of our children and students. Our mission is to add value to each child, not only in the classroom but also in the wider community, helping them to grow and develop as individuals, inside and outside of school life.

At Beaulieu, we believe in a personalised approach to education. We focus on the uniqueness of each child and student, guiding them with kindness and a commitment to their happiness, which in turn leads to success. This is at the heart of everything we do – ensuring every child can reach their full potential.

We are proud to be a Catholic school, founded by the Sisters of the Immaculate Conception, where we offer a Catholic education, not an education exclusively for Catholics. We celebrate the values of inclusion, respect, and kindness, striving to reflect the diverse community we serve. Our aim is simple: to help each student become the best version of themselves, supported and encouraged every step of the way.

I am excited to welcome you and your family to Beaulieu, and I look forward to sharing with you how we can work together to see if this is the right place for your child to grow, learn, and thrive.

Mr Matthew Burke
Headteacher of
Beaulieu Convent School

Why Beaulieu?

We are a non-selective school

We embrace all students and foster a diverse and inclusive community where everyone can thrive. We welcome and support individuals of all abilities to create opportunities for them to reach their full potential and leave Beaulieu happy.

Modern sports hall, dance studio & fitness suite

Our new sports hall, fitness suite, and dance studio offer state-of-the-art facilities that provide students with the perfect spaces to stay active, build strength, and express themselves creatively.

Our public exam results place us amongst the highest on the island

This reflects our commitment to academic excellence and the hard work of both students and staff. With a strong track record of high achievement, we provide a rigorous and supportive environment that helps students excel, ensuring they are well-prepared for future success.

Thriving, happy children

At Beaulieu, we believe that a happy child is one who will thrive and succeed. Our supportive environment helps each child feel valued and confident, fostering both academic success and emotional wellbeing. By encouraging a love for learning and building strong relationships, we create the foundation for children to embrace challenges with enthusiasm and flourish in all areas of their development.

Outdoor learning

Outdoor learning is a key part of our curriculum, helping students connect with nature and develop essential life skills. Through outdoor activities, children enhance their problem-solving, teamwork, and physical abilities while gaining a deeper understanding of the environment.

A rich and diverse curriculum

Beaulieu offers a rich and diverse curriculum designed to inspire a love of learning and develop a wide range of skills. From core subjects like English and maths to exciting areas such as the arts, languages, and STEM, our curriculum provides a balanced and engaging experience for all children.

A nurturing environment

Beaulieu is a nurturing environment where every child is valued and supported to reach their full potential. We foster a caring and inclusive atmosphere, where children feel safe, confident, and encouraged to explore their talents.

We welcome students of all faith and none

We are a Catholic school driven by a strong, inclusive and caring ethos. The ethos of the school encourages every member of the school community to be kind.

Specialist teachers

Our specialist teachers bring exciting lessons throughout the weekly timetable. With interactive French classes, creative music lessons, active PE sessions, hands-on science and maths learning, and fun cookery experiences, we provide a well-rounded education that sparks curiosity and creativity in every child.

ISA - off-island sporting opportunities

As an ISA (Independent School Association) Member, we are entitled to access an extensive programme of Area and National events to participate in throughout the year. ISA provides sporting opportunities at all levels so that many pupils can enjoy and benefit from them.

The House system

We believe in fostering a sense of community, teamwork, and friendly competition through our thriving House system.

At Beaulieu, four vibrant Houses—Frogs, Lilies, Lizards and Orchids—bring a sense of community and friendly competition to school life. Throughout the year, children take part in exciting House events such as House Music, Sports Day, and various team sports like netball, rugby, and football. Children also enjoy festive traditions, including decorating their House Christmas tree and competing in the House Easter Egg competition. These events foster teamwork, school spirit, and a strong sense of belonging, allowing every child to shine in a supportive and fun environment.

Co-curricular offering

Our co-curricular offering is focused on providing creative learning opportunities to nurture the talents of every child. The clubs are led by staff and community partners and create an environment where our children are encouraged to work collaboratively and discover new opportunities, interests, and talents.

Clubs

Current clubs cover a wide range of topics and disciplines including:

Netball, hockey, cross-country, multi-sports

Junior art club

Jerriais

Maths club

Hama beads, jigsaw & lego club

Orchestra & choir

Dance

Digital leaders

School productions

Academic excellence

Pupils at Beaulieu Primary School benefit significantly from the focused attention they receive from our dedicated and conscientious staff, who are committed to understanding and meeting the unique needs of every individual.

Our pupils love to learn, with lessons that are stimulating, and engaging, and we aim to develop an enthusiasm for knowledge that not only enhances progress at every stage of their education but also sets the foundation for a lifelong love of learning.

We are a fully inclusive school, committed to helping every pupil develop a broad range of academic skills through challenging lessons and an exciting curriculum. Children benefit from specialist teaching from our Senior School teachers in subjects such as French, music, drama, science and PE and enjoy access to our impressive facilities shared across both the Primary and Secondary sections.

At Beaulieu Primary, we offer so much more than the standard curriculum, ensuring impressive value-added for every student. Our students benefit from a rich and varied learning experience while participating in practical learning and problem-solving, encouraging pupils to be inquisitive, explore topics in-depth, think independently and excel across all areas of learning.

“At Beaulieu Convent School, we are proud of the academic excellence achieved in our primary section. Rooted in our Catholic values and the legacy of the Sisters of the Immaculate Conception, we provide an inclusive environment where every child is encouraged to thrive. Our commitment to nurturing each child’s potential ensures they are equipped for success, regardless of background or ability. We welcome all families to join our community, where faith, learning, and growth go hand in hand.”

- Matthew Burke, Headteacher of Beaulieu Convent School

An environment where students flourish

The unique Beaulieu environment is rooted in the gospel values and the love and care for our students is intrinsic in all we do.

The pastoral care and wellbeing of our students is a priority, and all staff members share responsibility for this. Our focus is on the whole child and their individual needs and, as a result, every child can succeed.

With a focus on emotional wellbeing, individual attention, and a strong sense of community, we ensure that each student thrives both academically and personally. By fostering strong relationships through our small mentor groups, our pastoral care helps to shape confident, successful and happy children who are prepared to excel in all aspects of life.

Outdoor learning

At Beaulieu Primary School, we believe that outdoor learning is an essential part of a well-rounded education.

Our children benefit from a variety of outdoor activities that promote physical health, boost mental wellbeing and spark curiosity. Outdoor learning plays a huge role in the way that we approach our Early Years curriculum with daily time outside the classroom allowing children the freedom to play and learn, whilst still immersing themselves in the natural environment.

With the addition of our new Forest School, lessons regularly take place here allowing students to enjoy hands-on learning experiences in nature. Our school garden is used to plant herbs and children learn how to tend to flower beds as well as create bug hotels. Outdoor play also plays a huge role, providing children with the freedom to explore, develop social skills, and build confidence in a natural setting. These outdoor experiences foster creativity, resilience and a deeper connection to the environment, allowing our girls the opportunity to enrich their knowledge of the natural world they inhabit and have fun at the same time!

Student testimonials

“We have fantastic facilities and lots of lovely teachers. I especially love the ICT resources we use, they’re really fun.”

- Summer, Year 4

“I love the clubs, the kind pupils, the lovely teachers, Cafe Beau, and the trips that we get to experience as a pupil of Beaulieu Primary School.”

- Emelia, Year 6

“School makes me feel happy because my teachers are so kind.”

- Hannah, Year 2

“I have great friendships, and I love learning with all the specialist teachers we have for different subjects.”

- Grace, Year 4

“Beaulieu is a kind school. It teaches you to be kind and helpful.”

- Lexi, Year 3

“I love being at Beaulieu because here you can be appreciated for who you are.”

- Audrey, Year 5

“I love Beaulieu, it is fun and exciting. There are many things to do and very kind students. The teachers are funny and fair and there are many subjects to learn. Everyone is so kind and caring.”

- Rhea, Year 5

“The best bit about being at Beaulieu is the kind community and how everyone cares for each other.”

- Eira, Year 5

Scholarship & bursary programme

Bursaries

We understand that financial barriers can prevent some families from considering an independent education. Our means-tested bursary programme is designed to provide financial assistance to those who need it, ensuring that students can benefit from a Beaulieu education regardless of their financial circumstances.

Scholarships

We believe in the power of education to transform lives. Our scholarships aim to support bright minds who are committed to making a positive impact through learning.

All-Round Academic

This scholarship is aimed at students who demonstrate strong academic potential across a range of subjects.

Expressive Arts

This scholarship supports students with exceptional talent in the arts, including music, drama, art, and textiles.

Sports

We are proud to offer sports scholarships to students who excel in athletic pursuits.

All-through school

Benefits of an all-through School

Being an all-through school, Beaulieu offers unique benefits for our primary children. With shared facilities and access to specialist teachers, our primary children enjoy a broad and enriching curriculum that prepares them for future academic success.

The continuity of learning from primary through to secondary ensures a seamless educational journey, with children experiencing consistent teaching methods and curriculum progression. The transition from Year 6 to Secondary is supported by our buddy system, where older students guide and mentor younger ones. This, combined with a strong sense of community across all age groups, fosters a supportive environment where children build lasting relationships with their peers and staff.

Our nurturing environment runs throughout the school, helping children feel happy, confident and ready to thrive. With the broadest curriculum on the island and a focus on excellence, Beaulieu students consistently achieve impressive exam results, setting them up for first-choice destinations Post-18.
